## STUNNING QUEENSLANDER WITH RARE PRESSED METAL WALLS

Simply exquisite on 949 sq metres.

Packed full of features including rare pressed metal walls in the main hallway. Highly ornate and intricate pressed metal ceilings expanding through to the picture rails dress the front two rooms and hall.

It would be difficult to find another property with so many outstanding features.

The double gable front displays unique fretwork in the gable above the bay window. A more Victorian style fretwork adorns the gable over the front landing.

Wide wrap around verandahs encase the front and side and are accessed by extra wide French doors with coloured glass inserts.

An impressive front door with panelling and leadlight insert opens to a wide hall which leads to the front bedroom with bay window, formal living and second bedroom.

Reminiscent of the 30's, a decorative timber bookcase arch separates the formal lounge and dining.

A large, eat-in kitchen adjoins the dining, which features sliding casement windows
