

52 Harlin Rd, Coalfalls

SOLD BY JUINE FRANK

Set in a quiet cul-de-sac lined with early and largely intact housing which is consistently interesting in form, this outstanding home is individually significant. On 1421 sq metres, set back behind an established garden, the striking street appeal stops passers by in their tracks.

The ornate exterior featuring decorative portico and separate gabled side protrusion and chimney stack is a prelude for the plethora of stunning features in the interior. Two bay windows to the front verandah give space and light to the front parlour and main bedroom. The verandahs then wrap around both sides with cedar french doors giving access.

Much space is provided in the formal living areas showcasing unusual curve topped cedar doors and red and blue glass feature side lights set in cedar.

A stunning fireplace is located in the formal dining with a butler's cabinet beside.

The original second bedroom is now the walk in robe and ensuite to main bedroom.

The timber kitchen has generous cupboard space and huge bench space.

A relaxed family area separates the two back bedrooms, both built in.
