Executive Living in comfort and style!

A big, big, six bedroom architect designed home in popular Eastern Heights has been transformed into a contemporary functional oasis for the extended family.

Maximising the superior design and with the appointment of an interior designer, a complete and professional renovation has resulted in an executive home providing space and ease of living for today's busy lifestyle.

Spread over three levels of light filled airy rooms, views to the Flinders Mountains are captured from the south facing front and warm north facing rooms to the rear.

The very functional design provides flow, yet excellent separation to satisfy the whole family.

The new kitchen, featuring stone bench tops and funky hexagonal tiles, is centrally located to dining, formal living and casual living. Ample space for multiple cooks keeps everyone happy. Adjoining the kitchen is a huge laundry with fantastic storage and built-in appliances.
