Amazing street appeal is the invitation to enjoy all of the unique features offered in this outstanding property. This leads to a wide hall with oversized french doors which connect with the formal living areas or separate as you desire. This impressive space has a fireplace for cosy winter evenings. Two of the three bedrooms will accommodate a king size bed and the third a queen. The original bathroom features porcelain subway tiles and the water is separate adjoining the laundry area which also has a storage room. The quaint eat-in country kitchen showcase an early Kooka gas stove in the tiles stove recess and has a separate walk in pantry and pine cupboards. A second living area at the back is perfect for casual living and spills out to a ground level back patio. This is perfect for a flat entry to the house with vehicle access on the right side. The matching double garage to the front is both practical and complimentary. Side access will lead to a 5 X 6 shed for storage and third car accommodation If desired. An outstanding property indeed.
